

Dr. Jeffrey Bewley is from Rineyville, Kentucky where he grew up working on his grandfather's dairy farm. He received a B.S. in Animal Sciences from the University of Kentucky in 1998, his M.S. in Dairy Science at the University of Wisconsin-Madison in 2000, and his PhD from Purdue University in 2008. Jeffrey's primary interests are the application of precision dairy farming technologies, economics of decisions on dairy farms, milk quality management, dairy cow comfort and well-being, records management and benchmarking, systems troubleshooting, and strategic dairy business management. Jeffrey's team of graduate and undergraduate research assistants manage multiple precision dairy research projects. Jeffrey joined the University of Kentucky's Animal and Food Sciences Department in 2008 and is an Assistant Professor there.
